OSAGE COUNTY HISTORICAL SOCIETY MEMBERSHIP

NEW RENEWAL

Osage County Historical Society was organized in 1965 with a goal to preserve our history within a museum with access to the public. Annual membership (January – December) for individuals or families costs $15.00. Business memberships are available for $20.00 annually.

Members of the society receive copies of our quarterly newsletter, ***The Hedge Post***. Our newsletter aims to keep members informed as to current happenings at the museum and research center, and contains articles with historical and genealogical interest. An additional benefit is that members do not have to pay the first hour research fee of $20.00 if we are asked to do research for them. They do pay for additional hours and copy costs.
